15/8		UOW Shoalhaven	Presentation Day - Novelty events

Four venues for Winter Cross Country Season

- UOW Shoalhaven - Our new home of running. A mixture of grass and bush trails, plus plenty of kangaroos and amazing scenery.
Located at George Evans Rd, West Nowra. Access off Yalwal Rd.
- Longreach - An old favourite, especially that hill for the long course runners. Fire trail for runners 1km to medium. Long course runners, mostly gravel road, some trails and a short bitumen section.
Find the course by turning right off Yalwal Rd into Longreach Rd.
- Huskisson - All distances use the Huskisson fire trails. A fairly flat, fast course.
The course starts behind Huskisson soccer fields. Access from Kioloa Street.
- Hollyhill - Pure cross country course. Grass and some testing hills. A lot of work on the course has been done since last season, so come out and take the hill challenge.
This is private property located at 48 Main Rd, Cambewarra with the beautiful backdrop of Cambewarra Mountain. Look for the big green shed.
